significant. We therefore place an even lower upper bound on the  
frequency of low- $\$z\$$  planetesimals at roughly  $\$10^{-8}\$$ . These  
results indicate that planetesimals should have been frequent in the  
primordial solar system, and remains a topic of interest for future  
investigations. We acknowledge support from the National Science

Foundation through awards AST-0982833 and AST-1616062. Support  
for this work was also provided by NASA through awards NNX08AG81G  
and NNX14AH35G issued by the JPL, which is operated by the California  
Institute of Technology under contract with NASA. Powerful Nvidia GPU

is a must have for Android gaming. Now with Android Nougat Nvidia  
has put a lot of new features and optimizations in place. Since I've  
experienced a lot of issues in the past with Nvidia, the team finally  
addressed most of the issues. But when Nvidia does not supply drivers  
in a timely manner it makes the experience very poor. Since the update  
is very critical and there is a risk of bricking your phone, please make

sure you have fully charged and backed up your phone before  
attempting to update the Android Nougat. How to make sure you have  
a fully charged phone before upgrading to Android Nougat? Steps to  
Upgrade Android Nougat to Oreo Update I'm using a Nexus 5X with

Android Nougat installed with Gapps. If you don't know how to get  
Gapps, the team has some instructions on how to download and install  
them. Just make sure you have a fully charged phone and have access  
to wifi or data. You can download Gapps from here. Uninstall gapps.zip  
if you've installed gapps.zip. Since I' e79caf774b
